

# GABRIELLE MARY LEWIS

## PERSONAL SUMMARY

Gabrielle Lewis is a faithful pursuer of goodness, impartiality, and authenticity. Lewis has served over the airwaves as a Radio Announcer for Southern Minnesota and Northern Iowa, and formally in Tennessee as a Teen Mentor for at Risk Teens. Lewis now returns to the Modeling, Fashion and Talent Industry, adorning herself with the latest and most timeless attire ... That she dares to say will never go out of style... Lewis puts on dignity and strength! And adds a smile "more often than not" to go right along with it! :) Lewis cares for others. She has a servant heart. She is professional, yet teachable. Willing and mindful. Sociable, yet also observable. Down-to-earth and hopeful. Easy-going and fun-loving. Gabrielle seeks to be a respected asset to the industry of Fit, Lifestyle, Commercial Print, Catalog, Fashion, TV, Stage, Film, Video, Voice, and let's not forget Social Media! Not too long ago, Lewis had the opportunity to represent body positivity as a Top 10 Mac Duggal "Fabulouss" Plus Size Model Finalist. Lewis also graced the runway as a plus size model for the 51st Ebony Fashion Fair Traveling Runway Show throughout the US. Lewis' former theater experience was acquired at North Side High School in Jackson, TN, then at the Vanguard Theater at the University of Tennessee at Martin. Gabrielle is open to both steady, but mostly wide-ranging typecasts. As a child, she loved art, writing, singing, and pretending to be a model ;-)! Lewis showcased her gifts through local talent shows and state pageants. Becoming a 1st Runner Up at the Miss Black USA National Pageant as Miss Black Tennessee USA and obtained a BA Broadcasting Degree from UTM. Lewis believes seeking to love, understand with wisdom and knowledge, living out purpose, advocating for a cause, bringing peace, and living in truth are the best ethical grounds for creativity and any skill. Lewis seeks to establish, secure, and maintain quality expertise and rapport with fresh-starters and notable professionals within the Industry. Lewis visions to adopt and fulfill professional industry merit with excellence, humility, and confidence - in an industry she respects.
